Summer School enrolments open

The Pipe Bands Australia Summer School brings eager pipers and drummers from across Australia to share in five days of musical growth and passion, guided and inspired by some of the best and most experienced tutors sharing their passion to help you strengthen existing skills and develop your positive journey in pipe bands.

Our tutors from overseas and within Australia have to their name many band and solo titles at the highest levels – World champions, Australian champions, Scottish and New Zealand champions – having been inspired throughout their careers by great teachers and friends.

Together, you will work as a team groups ranging in size from a massed band to solo and small group performances, tutorials and workshops.

The Summer School experience combines the enjoyment of achievement through commitment with the forging and renewal of friendships among like-minded musicians together for a week to improve and flourish in the company of each other.

We look forward to welcoming you to Summer School 2017 and sharing the journey of a lifetime
