Interim contest reports introduced

Following consultation with the Principal Rules and Administration and a review of procedures for the submission of contest supervisor reports, an interim contest supervisor report process has been introduced to expedite punctuality in submission of reports.

National management committee has implemented the new report process on the recommendation of the principal.

Supervisors at contests and championships are to submit their interim report within 24 hours of the event. The form will be available from branch secretaries or vice-principals rules and administration and can also be downloaded from www.pipebandsaustralia.com.au

The interim report is to be submitted to both the national secretary and relevant branch secretary.

The new form will provide national and branch committees with a snapshot of competitions and matters requiring attention, consistent with the Contest Regulations of Pipe Bands Australia.
