## Band registration final days for championship eligibility

Australian bands considering competing at the Diamond Jubilee year Australian Pipe Band Championships next April are reminded that band membership is to be lodged no later than this Saturday to meet the requirement that bands are registered with PBA a minimum six months before the championship.

The registration of players is not affected by this requirement. The normal 14-day period for registration of players applies for the Australian championships and all contests.

International bands are required to have registered with their home association at least six months prior to the championships.

Registration of band membership is through the registrar [pbaregistrar@pipebands.asn.au](mailto:pbaregistrar@pipebands.asn.au)

The 2020 Australian Pipe Band Championships will be held on 4-5 April, hosted by the Maryborough Highland Society.
