

# Starter Massed Band 3/4 March

PIPE BANDS AUSTRALIA

MARCH

National Drum Score 2015

1

2

Each part to be played 8 bars repeat.

That is each part should be repeated twice to play 16 bars before playing the next part.

This score has been designed to give the absolute beginner a "stepping-stone" which leads into the full version massed band score. It may be played along with the full version massed band score simultaneously.

The "starter" score series however is not a replacement for the full version scores and as such all drummers should aim to learn, perfect and memorise the full version as soon after the "starter" series of scores have been learnt.
